4X– Hey ya, hey hey ya, hey ya, hey ya, hey ya
Choir – hey ya/ hey ma ma ma ma malaya

Are you breathing, are you moving in time with the heartbeat of humanity
Vibrant, precious pulse of life ... Revel in it, Corroboree

I had a dream and you were in it
And you and you and you and you too
Inspired symphonic harmony of one humanity
a song of truth in you a truth in me

Are you stirring, are you changing in time with the heartbeat of humanity
Vibrant, precious pulse of life ... Revel in it, Corroboree

Feel it, if you feel it, believe it, become it!
Feel it, lift your feet, dance it, corroboree!

Feel the earth between your toes
Rising rhythm fills your soul
Spread your wings to fly and fly away, fly away
Liquid sky upon your skin
A new moment from within
Echo songs of love, a promise of a new day
